Alexandria, VA 22313-1450

**RESPONSE TO RESTRICTION REQUIREMENT AND  
REQUIREMENT FOR ELECTION OF SPECIES**

Sir:

This is in response to the Office Action dated August 8, 2005.

The Office Action incorrectly states the status of the claims. The Action only lists claims 1-27. Claim 28 was added by a preliminary amendment dated May 5, 2004, which is accessible by Private PAIR, and presumably is available to the Examiner through PALM. Claim 28 is an apparatus claim dependent on claim 1.

The Examiner requires election of either Group 1, apparatus claims 1-17, or Group 2, method claims 18-27. Applicants hereby elect Group 1, apparatus claims 1-17 and 28. (As noted

PH1\1487300.1

Appl. No. 10/763,873  
Response to Restriction Requirement

above, claim 28 is an apparatus claim, and applicants submit that claim 1 is a part of Group 1.)  
This election is made without traverse.

The Examiner further requires election of either: Species 3 (FIGS. 3A and 3B), Species 4 (FIG. 4), or Species 5 (FIG. 5).

Applicants elect Species 4, FIG. 4.

Claims 1-5, 7-11, 13-17 and 28 read on the species of FIG. 4.

Claims 1-4, 7-11, 14-17 and 28 are generic to Species 3, 4, and 5.

This election of species is made without traverse.

The Examiner further requires election of either: Species 6 (FIG. 11), Species 7 (FIG. 12) or Species 8 (FIG. 13).

Applicants elect Species 6 (FIG. 11).

Claims 1-15 and 28 read on the elected species 6.

Claims 1-14 and 28 are generic to Species 6, 7 and 8.

This election of species is made without traverse.

In view of the foregoing amendments and remarks, Applicant submits that this application is in condition for examination.

The Assistant Commissioner for Patents is hereby authorized to charge any additional fees or credit any excess payment that may be associated with this communication to deposit account 04-1679.
